

ICAR-NINFET organized Awareness cum Sensitization Programme on ICAR Institute Activities at Bhola Paswan Shastri College of Agriculture at Purnea, Bihar

September 11, 2023, Kolkata

In order to sensitize the young, fresh and ignited minds, an awareness cum Sensitization Programme on ICAR activities was held at Bhola Paswan Shastri College of Agriculture at Purnea, Bihar on September 08, 2023 as part of the ‘Student Awareness Campaign on ICAR’.

Around hundred (100) students of Agriculture along with their esteemed faculty members attended the Awareness-cum-Sensitization-Programme.

Dr. Tapan Garai, Professors of Bhola Paswan Shastri College of Agriculture, Purnea, Bihar highlighted the significance of ICAR in Indian Agriculture and emphasized the contribution of ICAR-NINFET in the field of Natural fibres.

Dr. D. P. Ray, Head, Chemical & Bio-Chemical Processing Division, & In-Charge, HRD Cell of ICAR-NINFET emphasized the role of ICAR for coordinating, guiding and managing research and education in agriculture including horticulture, fisheries and animal sciences in the entire country. He enunciated that ICAR has played a pioneering role in ushering Green Revolution and subsequent developments in agriculture in India through its research and technology development that has enabled the country to become self-reliant in agricultural production. Dr. Ray mentioned the various HRD activities of ICAR-NINFET as far as training, internship programme, student thesis work on natural fibre (graduate, post-graduate and Ph.D.) are concerned. The special deliberation on Food from the fibre was well appreciated by the students and the audience.

Dr. Pankaj Jadav, Associate Professors of Bhola Paswan Shastri College of Agriculture, Purnea, Bihar introduced the NINFET officials with the students and coordinated the awareness programme.

The programme was organized in alignment with the celebration of “*Azadi Ka Amrit Mahotsav*” to commemorate *75 Years of India’s Independence*.
