

ICAR-NINFET organized five days Training Programme on Handloom Product Development from Kans Grass at Shergram, Kaliyaganj, Uttar Dinajpur during September 29 to October 03, 2023

October 03, 2023, Kolkata

ICAR-NINFET under the project sponsored by MSME&T Govt of WB developed different handloom products like mats, flip-file cover etc from the soft kansphool sticks by weaving with cotton yarn.

To disseminate the technologies developed, ICAR-NINFET, Kolkata in collaboration with District Industry Centre, Uttar Dinajpur and Biswa Bangla Marketing Corporation organized five days Training Programme on “Handloom Product Development from Kans Grass” at Shergram, Kaliyaganj, Uttar Dinajpore during September 29 to October 03, 2023. The trainee participants were taught weaving of kans mat, stitching and finishing of the mat to flip file cover preparation.

Dr. M Bhowmick, Senior Scientist, Er. H Baite, Scientist, NINFET, and Mr. Mostaur Rahman Molla, IDO, Kaliyaganj, coordinated and encouraged the trainee participants during the training. The training program was attended by twenty (20) women participants.
